Georgian and Armenian authorities discuss fighting transnational crime

Officials from Georgian and Armenian border and customs services held a bilateral workshop in Yerevan on “Transnational Crime – Methods and New Trends” as part of an EU-funded border capacity project. The aim of the meeting was to discuss new methods in fighting against transnational crime used by the European customs services. The officials also learned about the work of the Latvian customs and state border guard, their tasks, responsibilities and competences, operation of mobile groups, corruption issues, and risk analyses for identification of new trends of transnational criminal activities.

Armenia Deputy Foreign Minister: Armenia hopes for visa-free regime with EU

The EU can continue talks on visa-free regime with Armenia, Armenian Deputy Foreign Minister Garen Nazarian stated at the Parliament. “Development of mobility remains a priority for Armenia,” he said. In January 2013, Armenia cancelled on a unilateral basis the visa regime for entry of citizens of the EU and the Schengen states. Starting from 1 January 2014, an agreement between the EU and Armenia on the facilitation of visa issuance came into force.

Georgia to simplify the law on visa and migration

A package of amendments to the law on visa and migration was supported by the Parliament. The amendment lifted tightened visa rules for foreigners, which had been recently adopted. The amendments proposed by the Ministry of Economics increased visa-free stay for citizens of some countries from 90 to 360 days. However, this list still has to be approved, and according the law it will be the government's final decision whether to adopt the subsequent decree or not.

European Commission makes progress on Agenda on Migration

Two weeks after the European Commission presented its European Agenda on Migration, the Commission presented the first initiatives of its comprehensive approach to improving the management of migration in all its aspects. Following the terrible loss of life in the Mediterranean, leaders made a firm commitment to solidarity amongst Member States to address the common migratory challenges Europe faces. With these proposals, the Commission is turning words into action and setting out the immediate response to the emergency situation we currently face in the Mediterranean.

Europe opens door to 20,000 migrants

The European Union's executive proposed taking in 20,000 migrants over two years and distributing them across Europe, a plan Britain, one of its largest members, has already opted out of. Shocked by thousands of deaths among people trying to reach Europe from North Africa across the Mediterranean, the European Union is trying to put in place a fairer way to resettle asylum-seekers at a time when anti-immigration parties are on the rise.
